

NovaLash® Lash Extensions

What are NovaLash® Eyelash Extensions?

Nova lashes are a totally new way to extend the length and thickness of your eyelashes. They are applied on hair-by-hair basis to your own lashes for a totally natural look.

How long do they last?

When properly applied, NovaLash® lashes can last up to two months or more. Touch-ups are recommended after initial full set application to replace any lashes that might have fallen off. Properly applied lashes will last the length of the natural growth cycle of each lash.

How do I care for my NovaLash® Lash Extensions?

Care must be taken not to rub eyes, or scratch. Also, any creams, eye make up removers, lotions, or cleansers containing glycols or carbonates can loosen the bond of the NovaLash® Extensions. Care must be taken to apply eye cream sparingly with avoidance of the lash line area.

Can I add mascara to NovaLash® Lash Extensions?

Water soluble mascara can be worn; however constant use of mascara may shorten the life-span of the lashes. WATERPROOF MASCARA IS NOT RECOMMENDED FOR USE AS IT WILL DISOLVE THE BOND OF THE LASHES.

How much do NovaLash® Lashes cost?

A full set of NovaLash® Lashes at Invisions Day Spa will cost \$200. Maintenance is \$50.00.

Who can apply NovaLash® Eyelash Extensions?

A licensed Cosmetologist, aesthetician, permanent make-up artist or beautician may apply the NovaLash® Lash extension services.
